## Field Trips

We will be going on several field trips in and around Iowa City this summer. Campers will have the option of going on a field trip each week. Children will be transported by the Rink Staff, charter buses or City of Coralville city bus.

If you do not wish to send your student on a field trip, you are responsible for keeping them home as there will be no camp staff at the rink.

## Swimming

The Rink Summer Camp will be going swimming twice a week on Tuesdays and Thursdays at the Coralville Community Aquatic Center. Transportation will be provided by the City of Coralville Transit System.

Kids not swimming will be supervised at the pool, but our attention will focus on safety of those swimming. Parents should send quiet activities with kids not swimming and should be prepared to be outside in warm weather and dressed accordingly.

Swimming skills will be tested each week. Wristbands will be given to each camper according to their swimming abilities.

Parents are required to provide a **SPRAY** sunscreen and a face stick for each camper with a minimum of 30 SPF. We will apply sunscreen every 45-60 minutes when at the pool or waterparks.

## Lunch/Snacks

**Lunch:** Your child will need to bring a daily lunch to camp from Monday-Friday unless otherwise noted in the weekly information. We have limited options for meals here at the Rink and the food court in the mall will only be used on an emergency basis at \$10/meal.

There is a possibility that we will have to eat our lunches on the go, therefore it is important to pack utensils, something to drink, and a way to keep the lunch cold. We do not have enough storage to keep everyone's lunch in the fridge. We are unable to provide microwaves to the campers to warm their meals up.

**Snack:** We will provide snacks in the afternoon for the campers.

## Camper Expectations

- Arrive each day at The Rink Summer Camp with a positive attitude and ready to participate in the day's activities
- Show respect to other campers. Keep hands/feet/arms, etc. off each other. Fighting will not be tolerated.
- Be a great camper and help pick up and put equipment away when finished
- Notify a counselor if there are any problems
- Be responsible for all personal items and report any lost items to a counselor
- Observe and obey all facility rules and procedures
- HAVE FUN!

Have FUN!

## Guidelines

Rules, guidelines, and behavior expectations are for the safety and well-being of all campers. Attending The Rink Summer Camp is considered a privilege. We ask for parental support when informed of child behavior issues.

**First Offense:** Child will be pulled aside, given a warning and talking from the staff person about what occurred and actions to improve.

**Second Offense:** Child will be asked to sit away from activity to reflect. Staff will follow up with child before continuing activity again.

**Third Offense:** Child will be removed from activity and given alternate activity. The Lead Camp Counselor will determine when it is acceptable for them to return to activity. Parents will be notified of the behavior or issue.

**Discipline Reports:** Will be completed whenever a child does the following: physical with another camper or staff member, destruction of property, one-on-one attention is needed constantly, self-behavior is affecting the group, and/or use of offensive language. The report will be completed by the Manager or Assistant Manager.

If a **2nd** report is filed, a meeting will be scheduled with the Manager/Assistant Manager, parents and child to discuss behavior issues and strategies to correct behavior.

If a **3rd** report is issued, child will be suspended from the program for 3 days and another meeting will be scheduled with child, parents and Manager/Assistant Manager.

A **4th** report will result in dismissal from the program.

The steps above will be followed for disciplinary problems. However, if an offense is deemed serious by the Manager/Assistant Manager or even General Manager, a child could be expelled upon first offense.

## Health/Safety

Safety is the most important priority for the kids at The Rink Summer Camp. We will continue to follow all State of Iowa regulations regarding COVID-19 as well as Oak View Group regulations.

Campers may be required to wear facemasks indoors at certain field trips. Updates regarding field trips will be sent out weekly.

Campers and Camp staff will wash hands and/or sanitize frequently throughout the day.
